### Sustainable Use Directive (SUD)

Sheila M Macken Pesticide Controls Division Department of Agriculture, Food and the Marine

sheila.macken@agriculture.gov.ie

#### • Directive 2009/128/EC (SUD):

# ...framework for community action to achieve sustainable use of pesticides

...to protect human health and the environment

# nd the Marine Main Impacts of SUD

- Registration and Training
- Sprayer Testing
- Controls on Storage, Supply and Use
- Integrated Pest Management
- Protection of water from Pesticides

- Advisors
- Inspectors of Application Equipment
- Distributors
- Professional Users

www.pcs.agriculture.gov.ie/SUD.htm

#### Pesticide Advisor (PA)

- Change of mindset  $\rightarrow$  IPM
- Smarter use of Pesticides

- Must be registered with DAFM
- Dip in IPM and Sustainable Use of Pesticides or equivalent
- Must maintain CPE IASIS scheme or equivalent

- Eligible to register as a Distributor and prof User without further training
- Required to maintain specific
   Distributor CPE to remain on register
   of Pesticide Distributors

Pesticide Distributor (PD)

- Must be registered by 26 Nov 2015
- Pesticide Distribution course 552467, FETAC Level 5, 2<sup>1</sup>/<sub>2</sub> day duration. Currently being updated, available by September
- Must maintain CPE IASIS scheme or equivalent

### Training the Professional User (PU)

• Protection of operators, bystanders and consumers

Protection of water

### **Professional Users**

- Must be registered by 26 Nov 2015
- Teagasc Pesticide Application module (Level 5/6 courses)
- Stand-alone Teagasc Pesticide Application course
- City and Guilds PA1 + PA2/6 etc.

# **Inspectors of Equipment**

- Must be registered with DAFM
- DAFM/Teagasc 2 day course in Kildalton
- Must maintain CPE, to be developed

## **Application Equipment**

 All boom sprayers > 3m and all blast and orchard sprayers must be tested at least once by

#### 26 November 2016

Tested every 5 yrs up to 2020Tested every 3 yrs after 2020

## **Application Equipment**

- Timetable and inspection intervals for other types of application equipment will be developed later this year
- Knapsack sprayers exempt

- Pesticide products must be stored in a secure, dry area which cannot result in accidental releases to drains, wells or water courses.
- Empty, triple-rinsed containers and foil caps must be disposed of in accordance with the Good Practice Guide
- www.pcs.agriculture.gov.ie/Default.htm

- General principles applied from January 2014
- Records must be maintained in the PPP Use Record sheet
- Record of IPM practices at whole enterprise level
- <a>www.pcs.agriculture.gov.ie/SUD.htm</a>

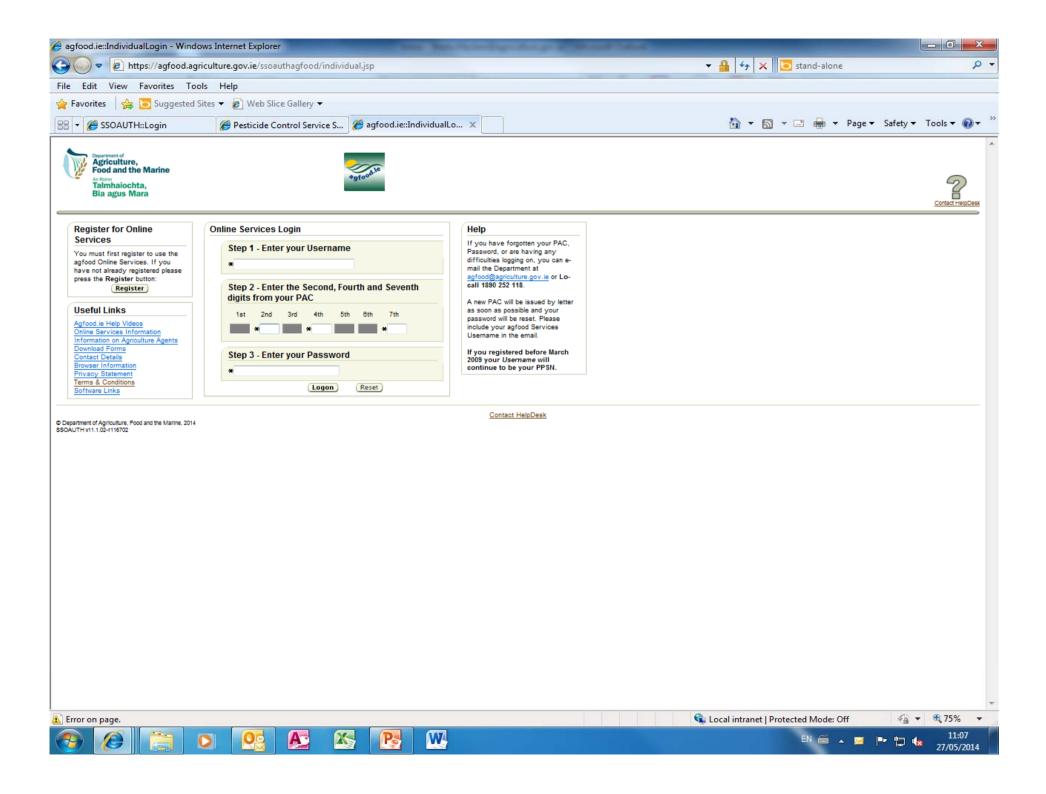

- Prevention/suppression of harmful organisms
- Monitoring of harmful organisms
- Application (or not) of plant protection measures
- Sustainable biological, physical or other nonchemical methods
- Use of target-specific pesticides
- Use of pesticides at necessary levels
- Anti-resistance strategies
- Check and record success of plant protection measures

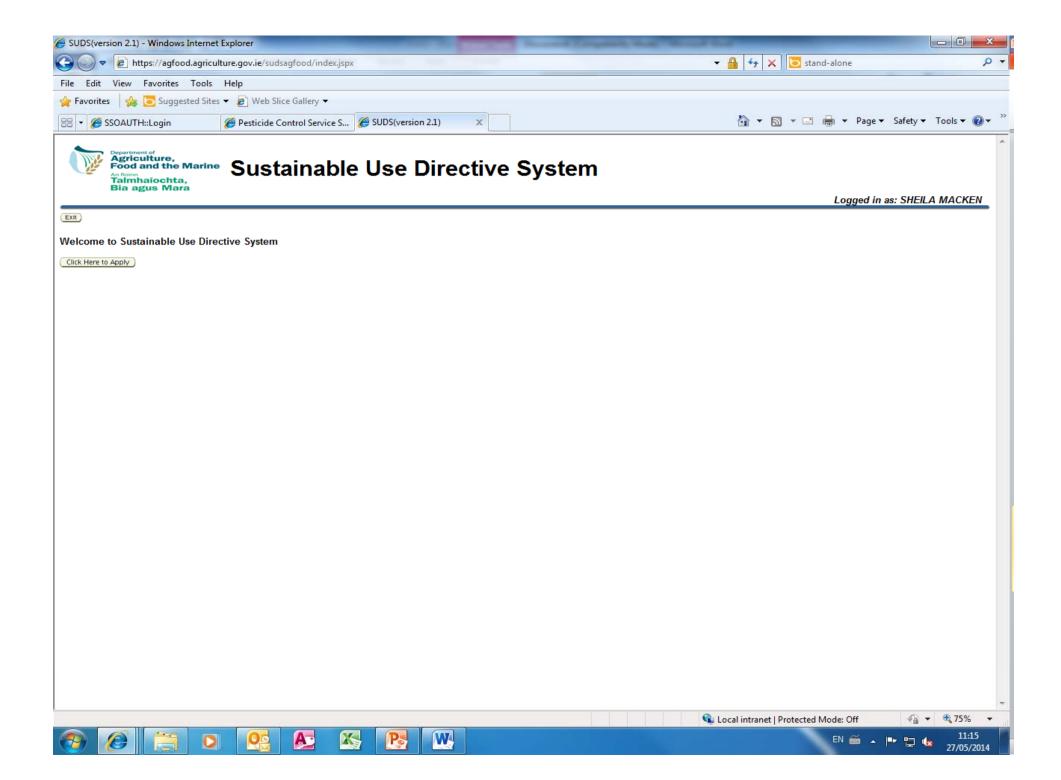

### Professional User (PU) How to Register

- Log in to agfood ie and register
- Current DAFM clients, registered with agfood.ie
- Log on using PAC and password
- Select Sustainable Use Directive from menu to apply
